

2023 LOCAL RULES and TERMS OF COMPETITION HARD CARD

January 2023

The following local rules and terms of competition have been formulated after consultation with the European Tour and the Rules of Golf Committee of R&A Rules Limited and apply to all French Tour events.

Unless otherwise noted, the penalty for breach of a local rule is the General Penalty.

Match Play – Loss of Hole

Stroke Play – Two strokes.

1. Out of Bounds. Rule 18.2.

- A ball is out of bounds when it is beyond any wall defining a boundary.
- A ball that comes to rest beyond any road defining out of bounds, is out of bounds, even though it may come to rest on another part of the course. Model Local Rule A-5 is in effect.
- Closed gates attached to boundary walls and fences are part of the boundary object. Relief is not allowed from such a gate under Rules 15.2 or 16.1. But an open gate is not treated as part of the boundary object and may be closed or moved to a different position.

2. Penalty Areas. Rule 17.

a) Opposite Side Same Distance Relief for Red Penalty Areas.

The weekly local rules sheet will specify (if any) red penalty areas have a same distance option on the opposite side. Model local rule B-2.2 will apply only to the penalty areas that are listed.

b) Opposite Side Relief Where Ball Last Crossed Edge of Penalty Area Where the Edge and the Boundary of the Course Coincide.

When a player's ball last crosses the edge of a penalty area where the edge of the penalty area and a boundary of the course coincide, that edge is deemed red and opposite site relief is available under model local rule B-2.2.

c) Dropping Zones for Penalty Areas.

Where a dropping zone is marked for a penalty area, labelled DZ, it is an additional option under penalty of one stroke. The dropping zone is a relief area under rule 14.3. meaning a ball must be dropped in and come to rest in the relief area.

3. Abnormal Course Conditions. Rule 16.1.b

A. Ground Under Repair

- All areas bounded by white lines including spectator crossing points where marked.
- Seams of Cut Turf: Model Local Rule F-7 is in effect.
- Grass covered cable trenches
- French drains (stone-filled drainage ditches).
- A hole made by a movable obstruction (microphones, stakes, signs, tripods, chairs, etc) may be treated as ground under repair by the Committee but there is no relief for stance.

Restriction on Relief from Stance in Animal Hole.

Rule 16.1. is modified in this way:

"Interference does not exist if the animal hole interferes with the player's stance."

Yardage Spots or Lines.

Painted lines or dots in a part of general area cut to fairway height or less are to be treated as ground under repair from which relief is allowed under Rule 16.1.

But interference does not exist if painted lines or dots interfere with only the player's stance.

Restriction on Relief from Stance for Irrigation Pipes.

Rule 16.1. is modified in this way:

"Interference does not exist if an irrigation pipe(s) interferes with the player's stance."

B. Immovable Obstructions

- White lined areas and the immovable obstruction they tie into are a single abnormal course condition.
- Landscaped garden areas (and everything growing in them) that are surrounded by an immovable obstruction are treated as a single abnormal course condition.
- Mats that are secured and all ramps covering cables (anything which is secured or fastened is not considered "readily movable" if it must be unfastened to be moved).
- Roads and paths surfaced with woodchip or mulch. Individual pieces of woodchip are loose impediments.
- Non-permanent bridges erected for players or spectators unless otherwise defined.
- The part of wires or temporary cables located outside penalty areas when they are fixing positions for those floating sponsor boards located within the penalty area and cannot be moved.
- Staked trees are immovable obstructions.

C. Removal of Temporary Water

Model Local Rule J-2 is in effect and is modified as follows: When temporary water accumulates on the putting green, relief is available under Rule 16.1d or:

- the putting green may be squeegeed between groups
- the player may have his line of play on the putting green squeegeed
- only when authorised by the Committee, the player may have the putting green squeegeed when a ball lies adjacent to the putting green in any area of the course.

D. Embedded Ball

Model Local Rule F-2.2 is in effect and Rule 16.3 is modified as follows:

Free relief is not allowed when a ball is embedded in a stacked turf face above a bunker.

4. Immovable Obstructions Close to Putting Greens.

Model Local Rule F-5 is in effect:

For a ball in the general area, relief may be taken under Rule 16.1b if (i) an immovable obstruction is on the line of play and is on or within two club-lengths of the putting green and within two club-lengths of the ball, and (ii) both the ball and the obstruction lie in an area cut to fairway height or less.

5. Green Reading Material Restrictions

Model Local Rule G-11 is in effect. Only Committee approved materials must be used. Approved materials include:

- Committee approved yardage books from 2022 onwards. Note: this does not apply to amateurs playing solely in Pro-Am competitions.

7. Permanent Overhead Power Line.

Model Local Rule E-11 is in effect but only if it is known or virtually certain that a player's ball strikes a power line located in bounds and not the supporting pole/pylon. The player must replay the stroke (see Rule 14.6).

8. Temporary Immovable Obstructions. (TIO)

Model Local Rule F-22 re Temporary Power Lines and Cables and Model Local Rule F-23 re TIO's are in effect.

- Dropping Zone (DZ) Policy. In the general area, when a player's ball lies in or on a TIO or so close to the TIO that it interferes with the stance or area of intended swing and relief is required, the player may:
 - proceed under any of the option allowed under the TIO local rule or Rule 16.1 or,
 - if dropping zones have been marked, as an additional option, the player may drop the original ball or another ball, without penalty, in the nearest dropping zone. This is true even if it is nearer the hole.
 - The "DZ" is a relief area under Rule 14.3 meaning a ball must be dropped in and come to rest in the dropping zone.
- Either Side Relief. The weekly local rules sheet will specify which TIO have an either side option. Either side relief is restricted to **line-of-sight relief only**. NOTE: This does not apply when the player chooses to operate under Rule 16.1 for relief.

- Drones: If it is known or virtually certain that a player's ball hits a drone in flight and in bounds, the player must replay the stroke by playing the original ball or another ball from the spot where that stroke was made (see Rule 14.6).
